Interviewer's Comments

We enjoyed getting to know Zuleika who seems like a warm and open person with a love for children. She strikes us as a calm person who will get along well with children easily. Currently she is unsure about what path her future will take; however, she does know that she wants to work at least two years (and possibly longer) as an au pair. Zuleika has several years of experience working with children, so she is familiar with what children need to stay stimulated, entertained and happy. She is confident in her ability to assist them academically all throughout the primary school years. When work time is over and it's time to relax, some of her favourite things to do with kids include arts and crafts, board games, swimming, other outside sports, puzzles, and imaginative play – to name a few. Zuleika also loves to cook and might even get the kids into the kitchen to help her out. In her au pair application, she states that caring for children has been a passion of hers since she was a teen. We believe that passion will shine through in her work, and that is why we are happy to recommend Zuleika for an au pair position.
